We are the UK's leading research charity aiming to defeat dementia.

Our health information

Find out about our range of leaflets and order your free copies

Alzheimer’s Research UK is the UK’s leading dementia research charity and we are dedicated to helping people understand more about dementia.

Use this form to request free copies of our leaflets or call us on **0300 111 5555**. We also have information on rarer forms of dementia and in other languages. You can order, read or download any of our booklets from our website:

www.alzheimersresearchuk.org/supporter-orders

Comprehensive booklets giving an overview of Alzheimer’s and other dementias, and their treatments

- All about dementia
- Treatments for dementia

Booklets on the main types of dementia – symptoms, causes, risk factors, diagnosis and treatment

- What is Alzheimer’s disease?
- What is dementia with Lewy bodies?
- What is frontotemporal dementia?
- What is vascular dementia?

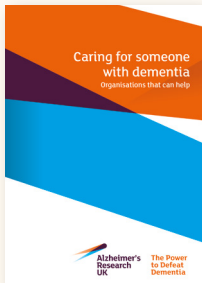

Booklets addressing your specific questions about dementia

- Dementia: your questions answered
- Reducing your risk of dementia
- Genes and dementia
- Getting involved in dementia research

Short introductory leaflets

- Alzheimer’s and memory loss – for those concerned about their memory.
- Early-onset Alzheimer’s disease – affecting those under 65.

Support information

- Caring for someone with dementia: organisations that can help

Send me free information on dementia

Simply complete this slip and drop it straight in the postbox. Alternatively, phone us on **0300 111 5555**.
